Students, you received an email invitation to sign up for SPRING 2021 athletic teams through our new online platform called Planet HS. If you are an anticipated athlete for either Easton Area MS (grade 7-8) or Easton Area HS (grades 9-12) for the SPRING of 2021 and wish to sign up and complete the majority of your sign up paperwork online, do so by using creating a STUDENT ACCOUNT and your PARENT/GUARDIAN also creating a PARENT/GUARDIAN ACCOUNT.

The student account log in is your student email (Roverkids) or use your student ID. The generic password is bigteams (change your password immediately to one that you can remember and no one else will have access to).

There is a SELF HELP guide/video within the system to assist you. If you wish to complete your sign-up packet by completing the various colored forms in the sign-up packet, you can do so by securing the Sign-Up Packet from your head coach and return them to the head coach and athletic training staff on physical exam day (Feb. 24 or March 3) for your SPRING 2021 team.
